

# Deacons Ministries

---

All Ministries are open to everyone!  
**Contact The Church Office 541-899-1287 to get involved.**

## Visitation

Do you like visiting with those who have “seen it all” and can share some wisdom with you? Our Visitation Team visits a growing number of people who would enjoy your company!

## Crisis Meals

Can you cook? We bring hot meals to those who are temporarily overburdened with health or other dilemmas; and we'd love to add your name to our list of cooks.

## ACTS Ministries

Need some physical activity in your life? Our ACTS Ministry helps with moving, lawn work, and other handy tasks. Bring your gloves.

## Fellowship:

We know you like to eat the cookies! Wouldn't you enjoy serving them too? We put out the snacks between our worship services. Free samples available.

## Holiday Decorations

Do you like decorating and un-decorating? We get together, before and after Easter and Christmas, to make the church look festive and we could use your help (and ladders sometimes).
